TODAY'S GAMES.

Boston at Philadelphia.

The field day meet of the High school at Fountaine park, May 23, will be the gala event of the year in High school athletics. The Eighth Regiment

band has been engaged for the day and there will be a parade of the students on the down town streets at noon. Field and track athletics in large number have been arranged and the contests will be held as first advertised, although it is stated that the school will probably not take part in the inter-scholastic games which the schools of the Northern part of the state are arranging.

WARREN LOSES A PLAYER.
 Warren, O., May 15.—Clair Hoeffelinger of Crestline, who came to Warren to play ball, left to take a position on the Washington C. H. team.

ACMES WILL FINISH SECOND.
 The Acmes and the Columbias will bowl Friday night, on the Grand alleys. The series in which these teams have been taking part draws rapidly to a close, and this will be the last game for the Acmes, who will probably finish in second place.

CANTON SCHOOL GAMES.
 Canton, May 15.—Plans are completed for holding a contest among the high schools of Stark county. The event will be known as the inter-scholastic championship games. They will be held at the fair grounds on May 16. The high schools of Canton, Alliance, Massillon and Navarre will compete for honors. All the athletic feats of the professional track teams are on the list and the county high school records will be established.

The Canton schools will be dismissed

on the afternoon of the day in order to give the scholars and instructors an opportunity to attend the games.

HARTFORD'S MAYOR AGAIN.
 Hartford, Conn., May 15.—Mayor Sullivan believes in boxing, that is in amateur boxing behind closed doors. He has issued a license to the Belmonica club to hold sparring exhibitions in connection with its social entertainments. The bouts must be between amateurs and only local men will be allowed to compete in the fights. The bouts are to be held in Saengerbund hall.

When W. L. Crowley, acting for the Nutmeg Athletic club, asked for a permit to hold the feather weight championship bout between Terry McGovern and Young Corbett, the application was refused. The Mayor said he had asked a number of workmen about boxing shows and very few of them favored the fights. He says he was sleeping at his home Thanksgiving day when McGovern and Corbett were fighting.

CLEVELAND, OHIO, May 15.—First Baseman Schreck, of the local American league club was released. Catcher Wood will play first base temporarily.

TURNER AND HERRERA.
 San Francisco, Cal., May 15.—The Reliance club, of Oakland, has succeeded in matching Rufe Turner, the Stockton colored lightweight, and Herrera, of Bakersfield, for a fight. The men have agreed to meet at 128 at 6 o'clock, which is the weight demanded by Herrera.

There was a time when the base ball grounds at Blue Pond park, and the

time was not so long ago, either,—was the Mecca of the sport loving public of the city. Akron was in a league that played base ball with a great deal of vim, the street railway had just been completed to Blue Pond, the games were watched by good crowds, and the place prospered.

Sunday band concerts were played there all through the summer, and great crowds visited the place on Sundays, while many fished there through the week. Now the diamond is grown over with weeds, the fences have fallen down, and the place presents a desolate appearance. An attempt to play ball there a few weeks by two local teams was spoiled by the rough condition of the grounds. No attempt is being made to fix up this place for this season.

FLASHES FROM LEXINGTON.
 Lexington, Ky., May 15.—Lemuel Hitchcock, of Boston, Mass., has bought of W. W. Evans, of Lexington, the two-year-old trotting filly by Electric Bell, dam Bennie Fleetwood, by Simmons. Price \$1500.

Joe Rea worked a two-year-old colt by Electric Bell, dam Dixie Phallus, a mile over the trotting track here today, in 2:35, the best time yet made here by a two-year-old.

W. G. Simpson, of this city, has bought of George Hays for an eastern party the two-year-old filly by King Red 2:20, dam Daisy Simmons, by Simmons; price \$4000. After little work she trotted a full mile in 2:35; last quarter at a 2:16 gait. She is a Futurity candidate.

NEW UNIFORMS.

A feature of the base ball parade Saturday and the games which will be played at Buchtel field will be the uniforms of the South End team, in which they will appear for the first time. It was predicted a few weeks ago by a number of local fans that the South End team probably would not amount to a great deal this season, but since it has become known that the team is composed largely of old Sharon players, there have been some changes in opinion, and there are many who maintain, already, that this team will end the season in first place.

ADAM AND EVE.

A New Version of the Story of the Creation.

New York, May 15.—Rev. Adolph Roeder, pastor of the New church, (Swedenborgian) of Orange, N. J., has taken a severely practical stand on the Adam and Eve question. He said: "Adam is simply the Hebrew word for man, and the word 'Evevan' or Eve, is the Hebrew word or symbol for life. The story of Adam and Eve is the story of intellectual manhood, and the creation of the life forces which God has implanted and by which He controls the destiny of the race."

Wants Others to Know.

"I have used DeWitt's Little Early Risers for constipation and torpid liver and they are all right. I am glad to endorse them for I think when we find a good thing we ought to let others know it," writes Alfred Hendrix, Quincy, Ill. They never gripe or distress. Sure, safe pills.
